STUDENT TESTIMONIALS

Classroom

Rohit Kumar (Industrial Training/B.tech(CS))

It Was Intensive and Stressful But It Was Rewarding and The Best Experience During My Career Life. The Tutors Were So Helpful, Supportive and Friendly. At Next-g, They Provide Me The Opportunity to Work On Various Live Projects and Also Taught About The Latest Technologies. It's A Great Choice To Start Your Career From Next-education

Online

Pooja Sabhrawal (Web Development Expert)

Being a Developer I Was Always Looking For a Course, Which Can Provide Practical Knowledge in Web Development and I Believe Next-g Education Has Satisfied All My Expectations. I Am Really Impressed With Rakesh Sir's Practical Knowledge So Looking Forward to Joining a Couple More Advanced Courses to Enhance My Skill Set.

Classroom

Ankit Dahiya (Industrial Training/B.tech(CS))

A Great Institution With A Healthy and Friendly Environment To Learn New Things. The Best Part is The Commitment Level Of Faculties Is Very High. Proper Attention is Given to Individuals. Practical Learning is Given More Importance Rather Than Just Mugging Up Textbook Stuff. I Suggest Everyone Who is Looking to Learn IT-skills Should Join Next G Education.
